Dreaming Of.... Christmas

This little girl in the picture is cute, eh? She's dreaming of the Christmas gifts she expects to get. Suppose she were your little girl and you put off buying her presents until Christmas eve and then found the CROWDS in the stores so great that you couldn't buy what you want? Just suppose that you'd have to find her crying on Christmas morning simply because you postponed buying until TOO

And suppose also that you may have family misfortunes and your sweet little girl may grow up to be a shopgirl, working early and late day in and day out and doubly hard just before Christmas?
